Dear CSCE Members

I hope everyone enjoyed the past holiday season.

CSCE has migrated to online registration and payment for CSCE events. Please register for CSCE events on the events page at WWW.CSCE.ORG. Payment is required for registration. Please contact the CSCE Administrative Assistant Amy Petrone by email (admin@csce.org) or by telephone (860-301-8723) with any questions regarding events, registration, and payment. Thanks to Amy Petrone and Dave Chapman for assisting with this transition.

It has been three years since Connecticut last hosted an ASCE Regional meeting. In April, Quinnipiac University will host the ASCE Region 1 (New England, New York, New Jersey, and Puerto Rico). The Quinnipiac University civil engineering club is in the process of becoming an ASCE student chapter. Thanks to Bob Gomez for assisting the club with transitioning to an ASCE student chapter. Please contact the CSCE Administrative Assistant Amy Petrone by email (admin@csce.org) or by telephone (860-301-8723) if you are interested in attending this event.

Governor Malloy is expected to discuss infrastructure funding during the Governor’s State of the State address on 3 February 2016. ASCE State Government Relation in conjunction with the CSCE Legislative affairs committee are drafting response for media release on 4 February 2016 to support investment in infrastructure. Thanks to Roy Merritt for assisting with this effort.

Work and play safe.

Sincerely,

Gary J. Fuerstenberg, P.E.
The CSCE Younger Members Group has its own Facebook Page.

**January 2016 Dinner Meeting**

**Date & Time:** Wednesday, January 27th, 2016. 5:30 to 9:00

**Location:** Connecticut Room, First Floor, Memorial Hall, CCSU, 1615 Stanley Street, New Britain, CT

**Cost:** CSCE Members: $40.00, Unemployed CSCE Members: Free, Full-Time Students: $10.00, ASCE Members who are not CSCE Members: $45, Non-Members: $50.00 NOTE: Beginning in January 2016, CSCE will begin taking online payments. As we move towards this payment method, CSCE will accept only cash and checks as payments at the registration table for its events. Payment is required with registration unless other arrangements are made. CSCE cannot give refunds after the final dinner order has been placed.

**Reservations:** Please contact Amy Petrone by email at admin@csce.org or by telephone 860-301-8723.

**Topic:** Unmanned Aircraft Systems, FAA Regulations, and Commercial Operations for the AEC Architectural, Engineering and Construction Industry

**Speakers:** Alfred A. Gates, Ph.D., P.E., Professor of Engineering, CCSU and UAS Pilot Edward Sarisley, Ph.D., P.E., F.ASCE, M.NSPE, Professor of Construction Management, CCSU

---

**Special Offer on ASCE Webinars for Connecticut Section Members**

Did you know that as a Connecticut Section member you get a discount on ASCE National Webinars? Plus some of the registration fee comes back to help fund other Section activities!
GET INVOLVED IN CSCE!!

Do you want to be more involved in CSCE?
Are you interested in being a committee member or serving on the CSCE Executive Board?
We are looking for people like you!

Contact our 2015-2016 President Gary Fuerstenberg at president@csce.org to find out how you can get more involved.

Together we can make “A Better World by Design”!!
Any and all involvement is WELCOME!!

Members of the 2015-2016 CSCE Executive Board

Upcoming Events

January 27 ~ Monthly Dinner Meeting, Construction Topic, CCSU
February ~ Joint Engineering Societies Dinner Meeting during Engineers Week, Date & Location TBD
March 9 ~ Fairfield County Branch Dinner Meeting, Location: TBD
April 8 ~ CSCE Geotechnical Workshop* - University of New Haven, West Haven, CT Topic: Grouting - *Note: PDHs are typically offered at these events

Younger Member’s upcoming activities

February 5th – Hooker Brewery Open House – Younger Member social event at Hooker Brewery in Bloomfield, CT. The group will be meeting at the brewery at 5:00.

March 24th – Younger Member Bowling – Younger Member social event at Callahan’s Bowl-O-Rama on the Berlin Turnpike in Newington. Please RSVP by March 21st to Dan Valentine at youngermembers2016@csce.org

June 4th – CSCE Trail Clean-up – Younger Member community service event to build or repair hiking trails with Connecticut Forest and Parks Association. Location TBD.

Younger Members on Facebook we have recently created a Facebook page to communicate future Younger Member events. Search for CSCE Younger Members or follow the link https://www.facebook.com/CSCEYM and like the group.
Younger Member Dunkin Donuts Stadium Construction Tour: —
The Younger Member group took a construction site tour of Hartford’s new Dunkin Donuts Stadium in construction in November. Thank you to Centerplan for hosting this interesting event.

CSCE is soliciting pictures and projects of your favorite Civil Engineering landmarks in CT. The goal is to broadcast the civil engineering projects in Connecticut to our readers. If you have pictures of bridges, buildings, deep cuts, high embankments, monstrous retaining walls, even miniature construction sites, etc. (be creative!) send us a brief description and photograph and we will include it in the next CSCE newsletter. Please send all the information to nl-editor-2016@csce.org.
Are you a recent college graduate. Or about to be?
Do you know someone who is?
Stay with ASCE!!

Did you know that ASCE offers pro-rated discounted membership dues for recent college graduates? For more information visit http://www.asce.org/membership

Are you a “Younger Member”?

A Younger Member is considered to be 35 years of age or younger. The Younger Member Committee Fosters the professional growth, ethical awareness, and technical competence of the Section’s younger members. The Committee meets once a month, and organizes several activities throughout the year, including those for fun and community service. Check future issues of this newsletter for upcoming events. If you are interested in joining the committee or want more information, contact youngermembers@csce.org.

Oppose a Sales Tax on Engineering Services!

The Connecticut General Assembly’s Finance Committee has approved legislation (SB 946) that would expand the state sales tax to engineering services. Other professional services are also included in this bill, such as architectural services.

If passed, this bill will raise costs for those seeking engineering services in Connecticut, increase construction costs, and likely slow the growth of construction development, manufacturing, and engineering in the state. It will result in engineering firms located outside of Connecticut having a competitive cost advantage over local engineering firms.

Visit ASCE’s website to read background on the issue and send a message to your state legislators today!

ASCE’s Honors and Awards program recognizes the remarkable accomplishments of the civil engineering profession. With more than 80 awards, the program distinguishes the unique contributions engineers make to both the industry and society.

ASCE has many honors and awards to recognize deserving members. For a complete listing of all ASCE awards, please visit www.asce.org/awards.
The Connecticut Society of Civil Engineers was formed in 1884. Separately, the Connecticut Section of the American Society of Civil Engineers (ASCE) was founded in 1919. The two organizations merged in 1981. We represent about 1,600 civil engineers statewide.

IMPROVING THE NATION’S INFRASTRUCTURE

2013 REPORT CARD FOR AMERICA’S INFRASTRUCTURE®

ASCE’s 2013 Report Card for America’s Infrastructure gives the nation a grade of a D on its overall performance. The grades are based on conditions and trends for 17 categories of infrastructure: roads, bridges, transit, schools, water, dams, etc. ASCE is the recognized source of infrastructure information and has been releasing annual report cards since 1998. The next report card will be released on September 24, 2014.

RAISE THE BAR INITIATIVE

ASCE supports enhancing the preparation of future licensed civil engineers for the complex challenges facing 21st century society. The organization raises the bar for professional practice so that future civil engineers can better protect the public’s health, safety, and welfare.

DEMONSTRATING SUSTAINABILITY

ASCE helps civil engineers incorporate sustainability into their daily practice and apply that knowledge to gain a competitive advantage throughout their careers. Read more at www.asce.org/sustainability.

RECOGNIZING EXCEPTIONAL ACCOMPLISHMENTS

FELLOW AWARD

ASCE Fellow is a formal recognition for outstanding contributions to the Society and for significant contributions to the civil engineering profession. The selection process is based on criteria that recognize excellence in research, teaching, publishing, practice, and service to the profession.

CDM Smith - Civil Engineer 5 - Transportation - Job Posted: September 17, 2015

Location: Connecticut - Hartford

Office Location: Hartford, CT

Why CDM Smith?: CDM Smith provides lasting and integrated solutions in water, environment, transportation, energy and facilities to public and private clients worldwide. As a full-service consulting, engineering, construction, and operations firm, we deliver exceptional client service, quality results and enduring value across the entire project life cycle.

Job Description: As a member of this team, you would contribute to CDM Smith’s mission by:

- Assisting the project team on transportation roadway design projects, traffic engineering, roadway open/closed storm drain design, and design build projects.
- Acting as a mentor for junior level employees.
- Actively participating or assisting in new business development by contributing to strategic planning, marketing and business operations planning.
- Planning, developing, coordinating, and directing a large and important project or a number of small projects with many complex features.
- Refining your project management skills.

Minimum Qualifications: A successful CDM Smith candidate will have:

- B.S. in engineering.
- At least 7 to 10 years of experience since B.S. including ConnDOT roadway design experience.
- Registration as a licensed P.E.
- Microstation and InRoads experience required.
- Proficiency in MS Office suite, Adobe Acrobat.
- Excellent written and oral communication skills.

Preferred Qualifications: Limited access highway design experience preferred, ConnDOT Digital Design environment and plan preparation experience also preferred.

Assignment Category: Fulltime-Regular

Amount of Travel Required: 10%

EEO Statement: We attract the best people in the industry, supporting their efforts to learn and grow. We strive to create a challenging and progressive work environment. We provide career opportunities that span a variety of disciplines and geographic locations, with projects that our employees plan, design, build and operate as diverse as the needs of our clients. CDM Smith is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected veteran status.
