CSCE MONTHLY DINNER MEETING – February 2009

Date:       Monday, February 9, 2009

Speaker:    Fred Wajcs, PE, Senior Energy Engineer
Conservation and Load Management at Northeast Utilities Service Company

What Engineers Need to Know about Energy Efficiency: Fred Wajcs, PE, Senior Energy Engineer Conservation and Load Management at Northeast Utilities Service Company will discuss the interplay between efficiency programs, codes & standards, technologies and professional practices. He’ll review the various efficiency programs available and how recent and planned legislation, incentives and code changes will impact your practice.

1.0 Professional Development Hours will be awarded. Good for NY PDH requirements.

Location:  Hawthorne Inn, 2321 Wilbur Cross Highway, Berlin, CT

Time:       5:00 - 6:30 PM - Cash Bar and Displays
6:30 - 9:00 PM - Dinner and Program

Cost:       Members & Guests: $45
Students:   $20
Corporate Sponsorships: $200 (includes 1 dinner registration)

Dinner:     Choice of Prime Rib, Baked Scrod or Vegetarian Lasagna

Reservations: Make check payable to: CSPE, 460 Smith St, Ste K, Middletown, CT 06457,
Phone (860) 635-5522, Fax (866) 668-9858,
Email: b davidson@ctengineers.org

Directions:  Directions at www.hawthorne-inn.com
President’s Message

Happy Birthday! Connecticut Society of Civil Engineers turns 125 this year. Yes, CSCE has been around for 125 years. We have formed a committee to develop activities to celebrate CSCE and civil engineering. Please contact me if you have any ideas at president@csce.org. Look for more information to follow.

Our joint Dinner Meeting with the Fairfield branch was a success. I would like to thank Ron Hill for organizing the meeting and for Hazen and Sawyer for the presentation on the design, construction and start-up of the upgraded Stamford Water Treatment Plant. The next meeting is also a joint meeting with the other engineering societies for E-Week. The meeting is on February 9, 2009 at the Hawthorn Inn.

Remember the ACE Awards Program is to be held on Tuesday, May 12, 2009. The application has been released. Please see the website for more information and a copy of the application. The application is due by March 25, 2009. We hope you consider submitting a project.

This past week ASCE released the Report Card for America’s Infrastructure. It gave the nation and overall grade of D. Please go to www.asce.org/reportcard/2009/index.html to review the report card. ASCE National thought it was important to provide Congress with the information necessary to evaluate the need for infrastructure spending, which is proposed to be included in the stimulus package. The full release of the report card is still slated for March 25, 2009.

ASCE dues were due on Dec. 31, 2008, which means if you haven’t renewed your 2009 membership, you run the risk of losing your valuable ASCE benefits, such as membership in your local ASCE Section or Branch.

I look forward to seeing you at the February dinner meeting which will be held at the Hawthorn Inn. I encourage you to participate and attend this dinner. Remember to keep checking the CSCE website at www.csce.org as we continue to update the calendar and committee activities.

Christopher M. Holden, P.E., M.ASCE
President
January 2009 Brain Teaser's Answer: Five. Each value appears on an even number of squares (8). Inside the chain the values match in pairs, therefore a 5 at one end of the chain must be matched by another 5 at the other end.

February 2009 Brain Teaser: The Number 1,313: Ask a friend to write down this easily remembered number, subtract any number from it, make a five- to seven-digit number with the difference on the left and 100 plus the number subtracted on the right. Now he crosses out any nonzero digit and calls out the resulting number.

You promptly name the crossed-out digit.

What property of 1,313 simplifies your work?

The solution will be shown in the next newsletter. Want to stump your colleagues? If so, submit your Brain Teaser (and solution) to the editor at NL-Editor@csce.org.
The Benjamin Wright Award is CSCE’s highest award, presented each year to a civil engineer practicing in Connecticut who has demonstrated outstanding practice his or her career, and made significant contributions to civil engineering. Please consider nominating a deserving colleague. Nominations are due by April 10, 2009. The Executive Board will vote to determine the award winner and make the presentation at our annual meeting in May. Candidates will be considered for several years following their nomination. Nominations should be directed to Randy States (rstates@geodesign.net), Billy Cunningham (Director-II@csce.org), or Jay Silva (Director-I@csce.org).

DEPARTMENT OF ECONOMIC AND COMMUNITY DEVELOPMENT

The Department of Economic and Community Development is the state’s lead agency for the development and implementation of policies, strategies and programs all of which are designed to enhance Connecticut’s communities and business and housing environments. We employ a wide range of staff including development agents, engineers, architects, information technology, managers, and clericals. Our entry level job classes include Connecticut Careers Trainee, Assistant Economic and Community Development Agent, Engineer Intern and Civil Engineer I. Two of these job classes require taking an experience and training exam. If interested in taking this exam, please visit the Department of Administrative Services website at www.das.state.ct.us. If interested in employment with DECD or you wish more information, please e-mail Human Resources Director Mitch Drabik at: mitch.drabik@ct.gov or call 860-270-8022 or 8024.

The Department of Economic and Community Development is an equal opportunity/affirmative action employer and strongly encourages the applications of women, minorities, and persons with disabilities.
2009 CSCE MONTHLY MEETING CALENDAR

Please mark your calendars!

- Wednesday, March 18, 2009 at the University of New Haven
- Wednesday, April 15, 2009 at the United States Coast Guard Academy

ACE Awards Ceremony – Tuesday, May 12, 2009 at the Aqua Turf Club in Plantsville

Return Services Requested:
Michael Cook, ASCE Geographic Services Manager
1801 Alexander Bell Drive, Reston, VA 20191

**EMPLOYMENT OPPORTUNITIES**

**AI Engineers, Inc. (AI)** is a dynamic 100-person engineering company with tremendous opportunities for technical professional development as well as learning and practicing state-of-the-art management skills. We are seeking articulate, high energy, committed individuals in civil/site, structural, bridge, transportation, M/E/P and sustainable design and construction from entry level to senior management positions. If you are looking for a well managed, transparent, incentive-based company culture where the sky is the limit for growth, please send your resume to hr@aiengineers.com or call (860) 635-7740.

**Appledore Marine Engineering, Inc**. – **Engineer Diver** (BSCE, 4 years experience and diving credentials, P.E. Preferred) and **Entry Level Engineer** (BSCE, EIT Preferred). Looking for motivated individuals to work on challenging marine/waterfront projects throughout the United States and abroad. Individuals should have an interest in structural engineering applications involving waterfront structures. Positions entail underwater inspection, evaluation and design of marine/waterfront structures and travel in a team-oriented environment. This is an excellent opportunity for individuals interested in working on a variety of waterfront/marine projects throughout the United States and abroad for a growing company. Send resume to Appledore Marine Engineering, Inc., 600 State Street, Suite E, Portsmouth, NH 03801 or email vswasey@appledoremarine.com.

**CJOJ, LLC - Civil Engineer, New Milford, CT.** CJOJ, LLC is a well-established Land Surveying and Engineering company that has been in business for over 70 years. Typical projects include site planning, subdivision design and commercial development. Requirements: CT Engineer License, strong communication skills, experience in grading, site design and Autocad. This position offers stability and challenge with competitive pay. Please email resume to cjo3@snet.net or contact C.J. at 860-354-5452

**CME Associates, Inc.** – **Highway and/or Traffic Engineer** - CME is a full-service architectural, engineering and environmental consulting firm with three offices in Connecticut. The firm is seeking a full-time Highway Traffic Engineer in its East Hartford location. The ideal candidate has a B.S. in Civil Engineering with a concentration in traffic and/or highway engineering preferred, with 3-6 years experience. Knowledge of CADD is required while experience in Microstation and In-Roads considered a plus. Check for more details on the website www.cmeengineering.com. Interested candidates should send a cover letter and resume to: Human Resources, CME Associates, Inc., 32 Crabtree Lane, Woodstock, CT 06281. CME is an Equal Opportunity Employer.

**GeoDesign, Inc.**, a geotechnical, construction and environmental engineering firm, has several opportunities for geotechnical engineers, entry level and above. Masters degree, and E. I. T., or P. E. preferred. We offer competitive salary and benefits packages. Contact Randall T. States, P.E. (203) 758-8836, ext. 111, by fax: (203) 758 8842 or by Email: rtstates@geodesign.net GeoDesign is an Equal Opportunity Employer.
Diversified Technology Consultants  one of CT’s leading engineering firms has several positions available for our expanding North Haven and Norwich offices. DTC is an award winning, top 500 multidisciplined design firm. For over 29 years our firm has provided consulting services in planning, landscape architecture, MEP engineering and construction administration to municipal, state & federal agencies and private industry on a nationwide basis. To learn more about DTC visit our web site @ teamdtc.com

We are seeking several Civil Engineers w/2+ years experience. Emphasis on site plan development, stormwater management plans, specs., construction admin & cost estimates. Projects include large multidisciplinary institutional contracts to 70 million. Must be proficient in AutoCAD and LDD. Experience in Haestad StormCad and HEC–HMS a plus

We also have a need for a Sr. Highway Engineer , PE with 7-10 years experience in CT & Mass highway & bridge design. PE, Microstation & AutoCad req’d. Experience working with DOT and possessing good communication and project management skills desirable.

In addition, we have a new opportunity for a Structural Engineer. Must have strong knowledge of building codes, construction industry standards and a minimum of 3 years of design experience in steel, concrete & masonry structures. Experience in Ramframe software a must, RISA & Rivet a plus. Bachelor’s degree in Civil/Structural Engineering required, PE preferred.

We offer an excellent benefits package that includes medical & dental, competitive salary, 401k program and a comfortable work environment. Please fax/email resume: 203-234-7376 hr@teamdtc.com.

McNary Bergeron & Associates specializes in design and construction engineering for all phases of complex bridge projects. We are growing and looking for structural engineers in our Connecticut and Colorado offices. Are you one of us? Please visit our website at www.mcnarybergeron.com. We accept resumes in confidence at bridges@mcnarybergeron.com.

Ocean and Coastal Consultants, Inc. currently has an opening in our Trumbull, CT office for an experienced Geotechnical Engineer for US and international waterfront and structural projects. The ideal candidate will have soil-structure interaction expertise, 5 to 10 years of design experience, a Professional Engineer license and an interest in international travel, through our parent company COWI A/S (www.cowi.com). A Masters degree with specialization in Geotechnical Engineering is preferred. Fieldwork will be required. Ocean and Coastal Consultants, Inc. is an "Affirmative Action/Equal Opportunity Employer".

Ocean and Coastal Consultants, Inc. (OCC) has an experienced team of professionals providing complete coastal and waterfront engineering solutions with a commitment to quality and attention to customer satisfaction. OCC, with offices in Connecticut, Massachusetts, and New Jersey, offers opportunities to work on challenging and diverse projects, a positive work environment, and competitive salaries and benefits. Our affiliation with COWI, an internationally acclaimed engineering firm, provides our employees with opportunities for career enhancement and a world class employment experience. You can visit our website www.ocean-coastal.com for more information and to apply on-line or email Joseph Marrone, P.E. at jmarrone@ocean-coastal.com.

Siefert Associates, LLC is seeking a motivated Civil Construction Engineer - Structural Engineer with field savvy and structural engineering experience, with geotechnical knowledge helpful. Our challenging projects include Bridges of all types, Railroads, Subways, Marine Facilities, Foundations, Utilities, Power plants, and more. Current sites include Triboro Bridge, Tappan Zee Bridge and World Trade Center Transportation Hub. We provide Working Drawings and Calculations, tailored to the preferred Means and Methods of Contractors for ongoing construction projects. BS and EIT Required, Current P.E. registration is preferred. This position comes with top pay, fringe benefits and future advancement potential. Contact Vincent Siefert P.E., 203-723-1477 www.siefertassociates.com.
Structural Consulting Services, P.C. – Structural Engineer - Structural Consulting Services, P.C. is a fast growing structural engineering firm located in Brookfield, CT. We specialize in new building construction & renovations and in shoring, sheeting & underpinning designs for the construction industry throughout the metro New York City area and New England. We have an immediate need for an experienced Structural Engineer with a minimum of 5 years U.S. design experience in building design and/or construction support designs. BSCE or MSCE required, PE preferred and proficiency with AutoCAD a plus. Candidate must have good communications skills, be highly motivated and a practical designer with the ability to handle multiple projects. We offer a competitive salary and benefits package including medical, dental, 401(k), paid holidays, vacation & personal/sick time, and paid professional license registrations & renewals. Please submit a cover letter & resume via mail, fax or email to: 67 Federal Road, Brookfield, CT 06804; (203) 740-7578 Phone; (203) 775-5670 Fax; info@scs-pc.com Email.

Wengell, McDonnell & Costello, Inc., located in Newington, CT, is currently seeking individuals for the following positions: Structural Engineers, Hydraulic Engineers, CADD Operators/Civil Engineering Technicians, and Construction Inspectors. For more information, please call us at (860) 667-9624 or visit our website at www.wmcengineers.com. EOE M/F

Zieman Engineering, LLC – Structural Engineer/Construction Engineer – Zieman Engineering is a structural engineering firm specializing in designing construction procedures, temporary structures and specialized equipment for contractors involved in major and complex construction projects throughout the northeast. Typical projects include significant bridge erection procedures, heavy lifting, rigging and jacking operations of all kinds, and temporary structures for rehabilitation projects. We seek a BSCE with minimum 5 years experience in either structural design or field engineering for a contractor. Must be a creative and practically oriented problem solver with an interest in structural design as well as construction field operations. Competitive salary and benefits. Flexible hours are possible if needed to ease commuting. For additional information, see www.ziemanengineering.com. Please email resume to tz@ziemanengineering.com.

2009 Connecticut Engineers Week Joint Dinner

Monday, February 9, 2009
Hawthorne Inn, 2321 Wilbur Cross Highway, Berlin, CT
Directions at www.hawthorne-inn.com

Sponsored by
American Council of Engineering Companies of CT
Connecticut Society of Civil Engineers
Connecticut Society of Professional Engineers
Association for Facilities Engineers, CT Chapters
IEEE, CT Section
Institute of Transportation Engineers, CT Chapter
Women’s Transportation Seminar

Dinner Program
■ 5:00 - 6:30 PM - Cash Bar and Displays.
■ 6:30 - 9:00 PM - Dinner and Program:

What Engineers Need to Know about Energy Efficiency: Fred Wajcs, PE, Senior Energy Engineer Conservation and Load Management at Northeast Utilities Service Company will discuss the interplay between efficiency programs, codes & standards, technologies and professional practices. He'll review the various efficiency programs available and how recent and planned legislation, incentives and code changes will impact your practice.

1.0 Professional Development Hours will be awarded. Good for NY PDH requirements.
